Simulation Clinic

Sign-in: 7:30 AM- 8:00 AM

Course: 8:00 AM - 5:00 PM

Lunch: Noon-1:00 PM

COURSE DESCRIPTION:

The University of Louisville Office of Continuing Education (ULSD) offers a Bench Test Preparatory Course for International Dentists who are considering applying to Advanced Placement Dental Programs in the United States and Canada. This course is designed for those who wish to receive an introduction to the ideal restorative, endodontic, and fixed prosthodontic guidelines. A Periodontal Module will also be presented.

The 3-day course involves didactic and hands-on sessions presented by the University of Louisville School of Dentistry Faculty. Each discipline will present material with expected guidelines. Participants will have the opportunity to practice procedures under instructor supervision in the ULSD Simulation Clinic and receive feedback.

A portfolio of the participant's involvement will be made available for their use.

All courses offered in English. Interpreters will not be provided.

COURSE OBJECTIVES:

Operative Dentistry

Instructor: Jennifer Barnes McCants, DDS, MSD

Preparation and restoration of composites and amalgams on mannequin mounted dentoforms

Fixed Prosthodontics

Instructor: Amirali Zandinejad, DMD, MS

Preparation of an ideal crown on an anterior dentoform tooth with fabrication of an acrylic provisional

Endodontics

Instructor: Joseph M. Morelli, DMD, MEd

Perform a maxillary anterior tooth access, instrumentation and obturation on mannequin mounted dentoforms

Periodontics

Instructor: John G. Virag, DMD, MS

Complete a Periodontal Module Case Analysis in determining a periodontal diagnosis

PRE-REQUISITES (Must provide certified English translations of all documentation)

Clear, official, legible photocopies of your dental degree: BDS, DDS, DMD or equivalent, Certificate or Dip
