CE credits: 1

Learning objectives:

- Describe current instructional technology initiatives for change and innovation in dental education that are being designed and implemented at dental schools in the United States and Canada.
- Outline barriers encountered in designing and implementing instructional technology initiatives for change and innovation in dental education.
- Articulate ways in which institutional barriers to change and innovation in instructional technology in dental education have been addressed and overcome.

10:45 – 11:00 a.m.  
Courtyard

Networking Break (coffee available)

11:00 a.m. – noon  
President's Ballroom

Learning Without Limits: Instructional Technology Solutions for  
Dental Education

*Panelist Demonstrations*

- Podcasting
- Vodcasting
- Blackboard
- Mediasite
- QuestionMark/Perception
- ADEA Curriculum Resource Center
- Second Life

CE credits: 1

Learning objectives:

- Describe current instructional technology solutions at dental schools in the United States and Canada.
- Analyze and compare the benefits of and drawbacks to each type of technology.
- Assess appropriate technology for implementation in home institutions.

Noon – 1:00 p.m.  
Riverside Pavilion

Lunch

1:00 – 2:30 p.m.  
President's Ballroom

Small Group Discussions

Panelists from Learning Without Limits: Instructional Technology Solutions for Dental Education will discuss their projects in more detail. This is a chance for everyone to share, learn, and offer feedback.

CE credits: 2

Learning objectives:

- Explore current instructional technology projects related to change and innovation in dental education that have been established at dental schools in the United States.
- With panelists and ADEA CCI Liaisons from other institutions, compare experiences related to identifying, planning, and implementing instructional technology projects.
- Discover barriers encountered by panelists and ADEA CCI Liaison groups, and review strategies for overcoming identified barriers.

2:30 – 3:15 p.m.  
President's Ballroom

Strategies for Moving Forward: Use of Instructional Technology for Dental Education

Liaisons will split into small groups and develop strategies for raising awareness within their institutions about the innovative and emerging resources available to educators.

6:00 – 6:45 p.m.  
Charles View Ballroom

Reception

6:45 p.m.  
Charles View Ballroom

Dinner

## **Tuesday, June 29, 2010**

7:00 a.m. – 3:15 p.m.  
Courtyard Reception

Registration and Information Desk open

7:30 – 8:45 a.m.  
Riverside Pavilion

Connecting with Colleagues Breakfast

Liaisons are invited for breakfast discussions and networking with colleagues on current topics in dental education.

8:45 – 9:45 a.m.  
President's Ballroom

Building Consensus: How to Move Your Agenda Forward at Your School

Marsha A. Pyle, D.D.S., M.Ed., Dean  
University of Missouri-Kansas City School of Dentistry

William W. Dodge, D.D.S., Vice Dean  
University of Texas Health Science Center at San Antonio Dental School

Marilyn S. Lantz, Ph.D., D.M.D., M.S.D., Professor and Associate Dean for Academic Affairs  
University of Michigan School of Dentistry

A panel of invited academic administrators will discuss how to build consensus within the dental school.

CE credits: 1

Learning objectives:

- Identify challenges to change in dental schools.
- Discuss the roles of different stakeholders in change efforts and how to build consensus among them.
- Determine strategies to improve communications and involvement to effect organizational change.
