

Fourth ADEA International Women's Leadership Conference September 5-8, 2010

**Pestana Bahia Hotel
Salvador, Brazil**

Global Health Through Women's Leadership

PRELIMINARY PROGRAM

The Fourth ADEA International Women's Leadership Conference will foster global alliances and deliver leadership strategies that women can use to improve oral health and overall health in communities throughout the world. There will be ample opportunities for networking and information exchange during a program of plenary sessions, peer-reviewed oral and poster presentations, working groups, and skills workshops.

Sunday, September 5, 2010

6:00 p.m. Welcome Reception
A Catarineta Remarks

Monday, September 6, 2010

8:15 a.m. Welcome
Fernando Pessoa Sandra C. Andrieu, Ph.D., ADEA President

Moderated by Kathryn A. Kell, D.D.S., M.H.C.A., FDI Council

Women leaders with various success stories, styles, cultures, and perspectives will share personal perspectives that impact organizational change and outcomes.

Panelists:

Kathleen Roth, D.D.S., American Dental Association (ADA) Past President

Kofo Savage, B.D.S., M.P.H., M.Sc., Dental Dean, University of Lagos (Nigeria)

T.C. Wong, B.D.S, L.D.S.R.C.S., M.Sc.Orth., D.Orth.R.C.S., FDI Council (China)

CE credits: 1

Learning objectives:

- Recall insights and practical policy solutions from successful women decision makers
- Discover how real-life success stories portray the impact of different leadership styles
- Explain the importance of reflective learning

10:30 a.m.– noon

Working Groups

Fernando Pessoa
Florbela Espanca
Miguel Torga
Luandino Vieira

Four groups will be led by members of the leadership panel from Nigeria, China, and the United States. Outcomes will focus on collaborative opportunities, reducing barriers, and creating opportunity, as evoked by the panel presentations.

Groups will provide time for peer discussions and reflective learning related to personal stories from the panel discussion.

Each of the working groups will have two focal areas for discussion from the following topics: collaborative opportunities, reducing barriers, creating opportunity, and organizational change. Group reports will be presented during lunch on Tuesday and will represent collective wisdom, issues, and recommendations.

Noon – 1:30 p.m.
A Catarineta

Lunch

1:30 – 2:15 p.m.
Fernando Pessoa

Research Resources for Global Health
Christopher H. Fox, D.M.D., D.M.Sc., AADR/IADR Executive Director

Dr. Fox's presentation will include an analysis of global research-related implications from trends, forecasts, and workforce data.

2:15 – 3:00 p.m. Leading Change, Managing Resources
Fernando Pessoa Kathleen O’Loughlin, D.M.D., M.P.H., American Dental Association (ADA)
Executive Director

Strategic planning is critical to the success of any endeavor. In the dental field, successful strategic planning is necessary in resource allocation to retain viable sustainability. Dr. O’Loughlin will assess challenges faced in managing resources for organizational sustainability.

3:00 – 6:00 p.m. Oral Presentations (from abstracts)
Zelia Gattai 1
Zelia Gattai 2

6:30 – 7:30 p.m. Reception
A Catarineta

Dinner on your own

Tuesday, September 7, 2010

8:30 – 9:30 a.m. Keynote: Expanding the Evidence Base for Women’s Health Across a
Fernando Pessoa Lifespan

Vivian W. Pinn, M.D.

Dr. Pinn is Director of the Office of Research on Women’s Health (ORWH)/National Institutes of Health (NIH), an appointment she has held since November 1991. In February 1994, she was also named Associate Director for Research on Women’s Health, NIH. Dr. Pinn came to NIH from Howard University College of Medicine in Washington, DC, where she was Professor and Chair of the Department of Pathology since 1982. Earlier she held appointments at Tufts University and Harvard Medical School. Dr. Pinn has long been active in efforts to improve the health and career opportunities for women and minorities.

Dr. Pinn outlines a crossdisciplinary, multifaceted approach to research-related issues affecting women’s health, health careers, and treatment outcomes across the lifespan.

CE credits: 1

Learning objectives:

- Analyze health research strategy as viewed through a gender lens
- List strategies affecting women’s health and treatment outcomes for diverse population groups
- Describe reasons for women’s increased involvement in health careers in the future

Moderators:

Lois Cohen, Ph.D., Consultant (United States), Paul G. Rogers
Ambassador for Global Health Research, National Institute of Dental and
Craniofacial Research, National Institutes of Health
