CALL FOR BEST PRACTICE PRESENTATIONS

45th National Allied Dental Program Directors’ Conference

Doubletree Hotel Chicago Magnificent Mile, Chicago, Illinois

June 9-12, 2012

Submission Deadline: February 15, 2012

This year’s Conference will focus on social networking and use of technology in allied dental education. Presentations can address use of technology by students, faculty and/or administration. Presentation should consider addressing any of the following:

- Risks and opportunities
- Legal and ethical concerns
- Policy perspectives
- Use in teaching and clinical education/practice

The format of the Conference will include 15-20 minute presentations from fellow directors selected through this submission process, followed by discipline specific discussion sessions. Maintaining a consistent format in submissions will facilitate the review process. Please submit the following:

- Area of Best Practice (see above focus areas)
- Title of Presentation
- Presenter Name and degrees
- Institution and address
- Telephone
- Email address
- A narrative (not to exceed 1-2 pages) of your activities in the area that constitutes best practice including outcomes/results of the program/project.
- Specific learning objectives to be attained from the presentation

ADEA encourages submissions of “works in progress” related to the topic area.

Please email your submissions by February 15, 2012 as a Word attachment to:
