12:15 – 1:45 p.m.              **Joint Welcome Lunch and Presentation by Dr. Valachovic:  
Looking Around the Corner—Implications for Dental Educators**

As change continues at a fast pace in the United States, it becomes even more imperative for dental educators to anticipate it. Using survey and demographic data collected and analyzed by ADEA, Dr. Valachovic, ADEA President and CEO, will lead you “around the corner” by presenting key findings from the current state of dental education. As members and leaders of ADEA, Dr. Valachovic’s remarks will provide you with valuable information to better understand trends in dental education and a framework to use during the discussions of Councils and Sections at the 2014 ADEA Fall Meetings.

Learning Objectives

- Describe key trends in dental education.
- Delineate how demographic trends are impacting applicant pools.
- Recognize the implications of change in dental education for their dental schools.

Presenter

Richard W. Valachovic, D.M.D., M.P.H, ADEA President and CEO
