Sample discussion questions from the Lean In Reading Group Guide by Cheryl Sandberg:

- What does “lean in” mean? Why do you think women need to be urged to lean in?
- In Chapter 2, Sandberg discusses the imposter syndrome: Feeling like a fraud, fearing discovery with each success. Why do women feel this way more often than men do? What causes the gender gap?
- When negotiating, Sandberg tells women to use the word “we” rather than “I.” Why does the choice of pronoun make such a difference?
