

2014 ADEA Allied Dental Regional Accreditation Workshop

Overview

The 2014 ADEA Allied Dental Regional Accreditation Workshop is designed to assist allied dental educators with the accreditation process, prepare them for accreditation site visits and help them become familiar with the Commission on Dental Accreditation (CODA) allied dental education standards. Topics include preparation for the site visit and expectations during and after the site visit. Discipline-specific issues and frequent citations are discussed.

Learning Objectives

Upon completion of this workshop participants will be able to:

- Describe the applicability of accreditation site visit documents.
- Discuss processes that can be implemented on a continual basis by program directors in preparation for site visits.
- Discuss various frequent citations topics applicable to the allied dental program.
- Describe various new CODA policies and how they affect site visits.
