

2019 ADEA Fall Meetings
October 24–25, 2019
Doubletree by Hilton Portland
Portland, OR

ADEA Council of Students, Residents and Fellows (ADEA COSRF)

Agenda

Wednesday, October 23

8:00 a.m. – 4:00 p.m. **2019 ADEA Diversity and Inclusion Workshop**
(Attendance is optional. [Separate meeting registration](#) is required.)

The ADEA Diversity and Inclusion Workshop provides dental school administrators, faculty, staff and students with tools and strategies to promote and understand the roles that access, diversity, inclusion, equity and well-being play in promoting a humanistic environment within dental education. This one-day networking and learning symposium will help participants understand the scope of the diversity-related CODA standards and assist them with developing mission-driven diversity initiatives for their institutions. The small group workshop format affords the opportunity to engage in quality discussions, participate in collaborative planning activities and exchange ideas with other participants and presenters.

5:30 – 7:30 p.m. **Dental School Tour: Oregon Health & Science University, School of Dentistry**
(Optional; registration required)

Tour the Oregon Health & Science University School of Dentistry and learn about its programs, plans and impact on educating the next generation of dental professionals.

David M. Waldschmidt, Ph.D., Director of Testing Services, American
Dental Association

The Integrated National Board Dental Examination (INBDE) will officially be ready for administration on Aug. 1, 2020. There is great interest within the dental education community about the characteristics of the examination. To help programs prepare for the arrival of this exciting new licensure examination, Dr. Waldschmidt will provide the latest information about the following:

- Content areas to be assessed and the procedures for developing test questions.
- Test administration information (including retesting) and how irregularities will be handled.
- Scoring and results reporting.
- Implementation considerations and timeframes.

Learning Objectives

- Describe the INDBE's latest developments and its implementation.
- Summarize the main points about what students and faculty can expect from the INBDE.
- Outline how dental education programs can prepare their dental school classes for the transition to the INDBE.
