Grant Proposal Outline

Proposals should include the following information, preferably in the order indicated. The proposal itself should not exceed eight pages, single-spaced, and should use a font size no smaller than 11-point with margins no smaller than one inch all around. The proposal must be accompanied by a one-page cover letter/page and a proposed budget.

The cover letter/page should include the following information:

- Date
- Formal Name of Organization/Institution
- Address
- City/State/ZIP
- Name, Title, Phone, and E-mail of Principal Investigator
- Program or Project Name
- List of names and designations of persons and their roles on the program or project
- List of any organizations and institutions involved and how they contribute or are essential to the program or project
- Grant amount requested from ADEAGies Foundation

The proposal document should expand on your approved Letter of Intent (LOI) and include additional detail and information.

- Elaborate on the mission and goals of your program or project as described in your LOI and how they align with the mission of the ADEAGies Foundation. Be sure to include which focus area(s) it will address (see Proposal Guidelines below for list of focus areas).
- Describe how you will measure the anticipated impact, outcome or success of your program or project. Include any specific events, documents, presentations or other material results.
- If a grant is awarded, explain how you will anticipate recognizing the ADEAGies Foundation. Include any planned use of signage, official ADEAGies logo, media announcements, etc.
- If a grant is awarded, which of the following are you able to provide from your program or project (participant testimonials, participant stories, conference presentations, other)?
- If your organization/institution has previously applied for a grant from the ADEAGies Foundation (funded or unfunded), please provide information on those applications.
Use the proposal budget spreadsheet to provide an estimated program or project budget.

- Complete only the areas that are relevant for your budget; leave irrelevant sections blank, do not delete them.
- Do not enter any information in the yellow cells. These cells contain formulas that will calculate your costs and roll them up into the overall budget.
- During the proposal stage, you will not enter any information into the Actual Expenditures column.
- Under personnel, no more than three individuals will be funded.

**Incomplete proposals will not be considered. Be sure to:**

- Verify that all sections of the proposal are complete.
- Verify that the proposed budget is complete.

Grant Proposal Guidelines

The ADEAGies Foundation—the philanthropic arm of the American Dental Education Association (ADEA)—is committed to improving the oral health of the public and advancing innovations in the profession of dentistry by ensuring a robust future faculty and supporting the development of leaders in academic dentistry.

Eligibility

Any ADEA member at a U.S.-based nonprofit organization (exempt from federal taxes under section 501(c)(3) of the IRS Revenue Code) or Canada-based nonprofit charitable organization—including higher education institutions, dental schools, advanced dental and allied dental programs—is eligible to submit a Letter of Intent (LOI) for a grant. LOIs must demonstrate how the grant award would support dental education development, scientific achievement within the recognized dental specialties, oral health education or research. Non-member institutions/organizations are excluded from receiving funding.

All proposals must expand on the approved LOI regarding how the grant award would support dental education development, scientific achievement within the recognized dental specialties, oral health education or research. ADEAGies Foundation grant funding will be awarded to organizations/institutions on an annual basis for a maximum of two consecutive years. Awardees who have received approval for a no-cost extension must wait a minimum of two years prior to submitting any further grant funding requests. Awardees who have received approval for a no-cost extension must wait a minimum of two years before submitting any further grant requests.

Review Criteria

All proposals will be evaluated for their alignment with the ADEAGies Foundation’s mission and goals. To be considered, proposals must explicitly demonstrate support for at least one of the following focus areas.

- **Higher education systems**: study and strengthen dental education as part of national and international systems.
- **Faculty development**: encourage diversity and inclusivity of full-time faculty leadership, teaching and research in support of institutional capacity building.
- **Oral health-related research**: increase capacity of academic dental institutions to conduct research.
- **Dental education curriculum development**: evaluate and develop innovative curricula and pedagogy to reflect changing environments in dental education, research, leadership and service.
- **Research in underserved populations**: help dental and allied dental education programs develop strategies to provide access to oral health care for all.
- **Professional ethics and social responsibility**: develop programs that promote a diverse and inclusive workforce, and support cultural competence and values that sustain the profession for the public good.
Proposals will also be reviewed for inclusion of the following aspects:

- Collaboration intra-departmentally and/or across member institutions and organizations.
- Member institutions/organizations that have not previously received a Foundation grant.
- Projects or programs that have additional or matching funding.

**Review Process**

The ADEAGies Foundation Grants Committee will assess proposals for merit that are complete, clearly define the purpose of the program or project and are compliant with the proposal guidelines. The committee may request additional information.

By submitting a proposal, you give the ADEAGies Foundation permission to share with reviewers any submitted information about the Principal Investigator (PI) and team, the affected community or the proposed work.

The Foundation may change these guidelines at its sole discretion.

**LOI and Proposal Timelines**

The ADEAGies Foundation Grant Lifecycle is available on the ADEAGies website [link].

**Grant Award Cycle—Funded Programs or Projects**

The grant cycle runs from Sept. 1 through Aug. 31. Funding is subject to availability of resources and approval of the ADEAGies Foundation. Grants are limited to a minimum of $10,000. Awards are for one year; if additional funding is sought, grant recipients can request a one-time grant renewal with their Interim Progress Report.

**Grant Funding**

Funding for multiyear programs or projects are granted only one year at time with no guarantee of continued funding. There is a two-year maximum on grant funding for a single program or project.

ADEAGies Foundation grant funding will be awarded to organizations/institutions on an annual basis for a maximum of two consecutive years. Awardees who have received approval for a no-cost extension must wait a minimum of two years before to submitting any further grant requests.

Financial support for grant funding is at the discretion of the ADEAGies Foundation. The amount of funding for grants and number of grants awarded may vary from year to year.

**Funding Restrictions**

The ADEAGies Foundation does not fund the following:

- Operational phases of established programs.
- Capital expenses (facilities and equipment, except as part of a programmatic effort).
- Indirect or overhead costs.
- Capital campaigns or annual funds.
- Conferences and special events that are not part of a larger programmatic effort.
- Films, television, radio programs or other public awareness initiatives, unless they are key aspects of a programmatic effort.
- Direct patient care services.
- Clinical demonstration projects.
- Discretionary or emergency requests.
- General operational expenses as distinct from program or project costs (e.g., rent, utility bills).
• Individuals or individual research programs outside of the programmatic effort.
• Lobbying and/or political campaigns or endorsements.
• Organization/institution budget shortfalls.
• Goods or services purchased prior to notification of the grant award.
• Recurring salary commitments for additional personnel or student workers.
• Extensive travel expenses not directly related to programmatic effort and that do not directly affect project outcomes.
• Food subsidy used as an incentive for support staff and student participation.

Note the following:
• Funds are allowed to be used for temporary, one-time expenditures for a consultant engagement.
• In each grant cycle, only one LOI/grant proposal submission per individual will be accepted; no more than four individuals at the same organization/institution can receive a grant from the ADEAGies Foundation in the same funding cycle.
• Incomplete proposals will not be considered or returned to the PI for resubmission.
• Critiques of proposals will not be provided.
• Due to the volume of requests, we cannot respond to inquiries regarding proposal review status (see the grant cycle timeline on the ADEAGies website [link]).
• Only the material requested in the proposal guidelines will be considered during the review. Additional items submitted with the proposal (e.g., CDs or videos) will be discarded.

Payment and Accounting of Grant Funds
Checks are made payable to the grant recipient organization/institution for accounting and tax purposes and sent to the PI, who is required to give a full and accurate accounting of expenditures. The grant recipient organization/institution must use the funds awarded for the specific purpose for which they were intended.

The ADEAGies Foundation requires a written detailed accounting of how the grant funds were used and the overall results of the funded program or project.

Post-Award Requirements
Once the proposal has been approved, the PI will receive a full package of documents outlining the requirements provided below:

Grant Agreement Letter
The ADEAGies Foundation liaison will provide all PIs with the document to sign and return by June 5.

Presentation Policy
Upon request, the awardee will be provided with the ADEAGies PowerPoint Template to be used for all public presentations.

Payment Policy
The ADEAGies Foundation will process award payments beginning on July 1. The W-9 of the PI’s organization/institution must be received before payment can be processed.

Notification of Significant Change Policy
The ADEAGies Foundation should be notified immediately via email ADEAGiesGrants@adea.org if there is an unforeseen significant change (e.g., PI, structural or leadership change within the organization/institution).

Interim Progress Report
Submit an Interim Progress Report using the ADEAGies Foundation’s template, which summarizes the
focus of the program or project. Describe the progress toward the objectives established in the proposal and what remains to be completed. Request an additional year of funding, if applicable. Note any anticipated unused funds.

Requests for No-Cost Extensions
At the PI’s request, the ADEAGies Foundation will provide a form to summarize the reasons for the extension and amount of time requested to complete programmatic effort.

Final Report
Submit a Final Report using the ADEAGies Foundation’s template, which summarizes the program’s or project’s focus. Specify how the results met the objectives established and provide an itemized breakdown of how the grant funding was utilized.

Authorization
Funding of a grant award authorizes the ADEAGies Foundation to use the grant recipient’s formal organization/institution name in promotional materials. The awarded grants may be featured on the ADEAGies Foundation web page, social media, blog, annual report and other ADEAGies publications.

Contact Information
Questions regarding the grant proposal process and the final proposal can be sent to ADEAGies-GrantProposals@adea.org.

Note: The ADEAGies Foundation cannot inform the PI of missing information.
