**Part 1: The Year in ADEA**

Presenter  
Karen P. West, D.M.D., M.P.H.  
ADEA President and CEO

Dr. West looks at ADEA's impact on the issues and topics shaping the work of dental faculty and the profession.

**Part 2: The Future Direction of Oral Health Care**

Presenter  
Rena N. D'Souza, D.D.S., M.S., Ph.D.  
Director, National Institute of Dental and Craniofacial Research

This fall, the National Institute of Dental and Craniofacial Research will release the new report, *Oral Health in America: Advances and Challenges*. In this session, Dr. D'Souza discusses the new directions in preventing and treating oral diseases, identifies disparities and inequalities in oral health care, and examines innovative strategies for ensuring all Americans share equally in the benefits of oral health.

Learning Objectives

- Identify one to two examples of innovative strategies for addressing oral health disparities and inequality.
- Describe how overall health is impacted by disparities and inequalities.

CE Credits (for Part 2 only): 1.0

---

The American Dental Education Association is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The American Dental Education Association designates this activity for 1.0 continuing education credits.

Continuing education credit is awarded for participation in individual designated educational sessions and not for overall 2021 ADEA Fall Meetings attendance.

**ADA C.E.R.P.<sup>®</sup> | Continuing Education  
Recognition Program**

All speakers agree that neither they nor members of their immediate family have any financial relationships with commercial entities that may be relevant to their presentations.
