

NEW IDEA SESSIONS

Program Proposal Evaluation Criteria

Criterion	Excellent 4	Good 3	Fair 2	Needs Extensive Improvement 1
Content	The proposal presents issues of immediate relevance for dental or interprofessional education with solutions that are innovative and forward thinking. Ideas focus on issues beyond the next decade and have a "Wow!" factor.	The proposal presents issues of immediate relevance for dental or interprofessional education with solutions that are innovative and current.	The proposal presents issues of relevance for dental or interprofessional education with few elements that are innovative or current.	The proposal's focus is irrelevant or of no importance to dental education.
Clarity	The title, abstract and learning objectives clearly describe the session and the proposal is well written.	The title, abstract and learning objectives generally describe the session. The proposal has minor errors and would require some editing.	The title, abstract and learning objectives are unclear. The proposal has errors that would require significant editing.	The title, abstract and learning objectives are incomplete and unclear. The proposal requires complete rewriting to understand its meaning.
Format	The proposal introduces an innovative concept, technique or program that improves dental education, fits with the theme and is appropriate for the 20-minute format.	The proposal introduces a concept, technique or program that improves dental education, fits with the theme and is appropriate for the 20-minute format.	The proposal introduces a concept, technique or program that improves dental education but does not fit with the theme and is appropriate for the 20-minute format.	The proposal does not focus on concepts, techniques or programs that improve dental education and does not fit with the theme and/or is not appropriate for the 20-minute format
Content Relevance	The proposal content is well suited to the ADEA Annual Session and should attract a large number of participants from areas within dental education.	The proposal content is somewhat relevant to ADEA and should be of interest to at least one section or group of participants in dental education.	The proposal content does not clearly identify its relevance to ADEA and may be better suited to a different educational conference, webinar or event.	The proposal would be better suited to a different educational conference, webinar or event.
