

ADEA COUNCIL OF ADVANCED EDUCATION PROGRAMS

ADEA COAEP • SPRING 2019

Message from the Chair
Dr. Darwin Hayes

Welcome to 2019 and another year of great programming for the COAEP membership.

I encourage your participation in 2019 as the council prepares for the Annual Session in March and the Fall Meeting in October. There are some exciting updates and preparations forthcoming that require your input and coordination.

The 2019 ADEA Annual Session & Exhibition will be held in Chicago, IL on March 16-19 at the Hyatt Regency Chicago. We have compiled a list of suggested programs to attend while in Chicago. Additionally, we are looking for your input on our 5th Program Directors Summit, tentatively planned for 2020. Please be sure to attend the COAEP business meeting on Saturday, March 16 and the caucus meeting on Tuesday, March 19 at the Annual Session for more details.

Also, *Save the Date* for the Fall Meeting in Portland, OR on Oct 23-25, 2019. This meeting will have an important planning session for future programming.

Thank you again for your membership and participation in COAEP. With your continued support and input we will engage in topics and find solutions that help us as leaders in Advanced Dental Education.

We look forward to seeing you in Chicago in March!

Review of 2018 Fall Meetings

During the 2018 ADEA Fall Meetings in Toronto, Canada, ADEA COAEP hosted a robust educational program for members! Our program opened with a series of program director short talks where seven Canadian and U.S. advanced dental education program directors shared strengths and best practices in several areas, including recruiting and selecting applicants, promoting their programs, considerations for applicants from pass/fail schools, and the process for applicants applying to programs across the board. After the short talks concluded, we had a pair of speakers who shared insightful information on enriching dental postgraduate programs through a core curriculum in clinical research methodology.

With the Dental Match on the minds of program directors in the fall, we had a session providing an overview of the Match process, how programs might address post-Match openings, the differences between U.S. and Canadian procedures, and the opportunities the Dental Match creates for applicants and programs.

Our next session provided updates on the centralized application service for advanced dental education programs, ADEA PASS, and included a platform upgrade in 2019 with the advantages of using the service. The new resource, Dental School Grade Distributions, was also introduced and discussed.

We wrapped up our program with a Friday morning of hot topics in advanced dental education. The session included multiple relevant topics for faculty

in advanced education programs, including the ADA Advanced Dental Admission Test (ADAT), board certification and licensure, advising on student loan debt, graduate medical education (GME) funding and hospital credentialing.

Please join us for our business meeting and caucus where we will discuss future programming for our council!

You're Invited!

AMERICAN DENTAL EDUCATION ASSOCIATION

2019 ADEA ANNUAL SESSION & EXHIBITION

[Register today.](#)

Join ADEA COAEP in Chicago. All faculty in advanced education programs are invited to the council meetings to conduct council business and plan future educational meetings.

Business Meeting – Saturday 1:30 – 4:00 p.m.
Caucus – Tuesday 11:30 a.m. – 12:30 p.m.

Not sure which sessions to attend? ADEA COAEP has curated a list for advanced dental education faculty. See the end of the newsletter for the complete list.

Program Directors Summit V Fall 2020

The COAEP Administrative Board is excited to launch planning for an ambitious ADEA Fall Meeting in 2020: The 5th Program Directors Summit! Across all disciplines, advanced education program directors face an array of common

challenges. Understanding GME funding and regulations, dentistry in a Joint Commission environment, satisfying CODA in an ACGME world, working with ADEA PASS, administering a program, addressing resident performance issues, the politics of town and gown (and institution?), and MATCH participation: these are just a few potential topics! During this year's Annual Session, we are seeking input and participation from our membership and the relevant ADEA Sections to identify the most pressing issues common to multiple specialties, institutions and regions!

Topic ideas, session chairs and speakers are all needed. Help us leverage the strength of COAEP by taking part in these activities:

- Spring, 2019 Annual Session, Chicago: Open forum on topics at the Caucus on Tuesday morning.
- Summer 2019: Online survey of COAEP membership.
- 2019 Fall Meeting, Portland, OR: Planning workshop to finalize agenda and summit chairs.

Be a part of the program by taking part in the planning this spring!

Nominations for Member-at-Large and Secretary

Members can self-nominate or nominate a fellow council member for the Member-at-Large (MAL) or Secretary positions. The MAL is the first rung of the ascension to Chair of the Council; the order of officer positions is MAL, Secretary, Chair-elect and then Chair.

Candidates are expected to attend all council meetings at the 2019 ADEA Annual Session & Exhibition, where they will be asked to present their interest and qualifications.

Nominations should be sent to Greg Ness, D.D.S., ADEA COAEP Chair-elect, at ness.8@osu.edu and Emily Rhineberger, ADEA Staff Liaison, at rhinebergere@adea.org prior to the start of the Annual Session. Please include the nominee's contact information, current position and a short statement of interest.

Administrative Board Members

Russ Bergman, Heather Conrad, Greg Ness
Craig Hirschberg, Darwin Hayes

Chair: Darwin Hayes, D.D.S., M.H.A., FAGD
Co-Director, Advanced Education Program in
General Practice Residency
Bronx Lebanon Hospital Center
dhayes@bronxleb.org

Chair-elect: Greg Ness, D.D.S.
Professor, Oral and Maxillofacial Surgery
