Oral Health Resources
Advanced Simulation Clinic Orientation

Resource Type: Tutorial

Primary Author: Heather J. Conrad, D.M.D., M.S., FACP, FRCD(C)

Author Institution: University of Minnesota School of Dentistry
Advance Dental Simulation: Module on Crown Preparation

Resource Type: Tutorial

Primary Author: Ranier M. Adarve, D.M.D., M.S., M.H.P.E

Institution: University of Minnesota School of Dentistry
A Longitudinal Academic Career Skills Elective Experience

Resource Type: Faculty Development Materials

Primary Author: Christopher Weaver, M.D.

Institution: Indiana University School of Medicine
All Ceramic Crown Tooth Preparation and Provisional Crown Fabrication

Resource Type: Video

Primary Author: Cecilia Aragon, D.D.S., M.S.

Institution: University of Western Ontario Shulich School of Medicine & Dentistry
Anatomy of the Human Adult Dentition

Resource Type: Lab Guide, Multimedia, Animation

Primary Author: Michael Madden, D.D.S.

Institution: University of Minnesota School of Dentistry
Angiographic Anatomy of the Upper and Lower Extremities

Resource Type: Multimedia, Tutorial

Primary Author: Penprapa Klinkhachorn, Ph.D.

Institution: West Virginia University School of Medicine
A Case-Based and Evidence-Based Seminar Series for Senior Dental Students

**Resource Type:** Case, Evaluation Tool, Presentation, Reference

**Primary Author:** Fred Fendler, D.D.S.

**Institution:** University of the Pacific Arthur A. Dugoni School of Dentistry
A Mentored Critical Thinking and Writing Exercise in a Dental School Curriculum

Resource Type: Evaluation Tool, Presentation, Reference, Tutorial

Primary Author: Terry E. Hoover, D.D.S.
Institution: University of Pacific Arthur A. Dugoni School of Dentistry - Dental Practice
A Physician's Guide to Identifying Pediatric Dental Decay and Common Oral Pathology

Resource Type: Presentation, Tutorial

Primary Author: Travis Nelson, M.D.

Institution: University of Washington
A Revised Curriculum Tool for Assessing Cultural Competency Training (TACCT) in Health Professions Education

Resource Type: Other

Primary Author: Desiree Lie, M.D., M.S.E.D.

Institution: University of California, Irvine School of Medicine
A Self-Testing Guide to the Bony Features of the Temporal Bone

Resource Type: Tutorial

Primary Author: Bob Hutchins, Ph.D.

Institution: Baylor College of Dentistry, A Member of The Texas A&M University
A Self Directed Review of Anatomy Related To Local Anesthesia

Resource Type: Lab Guide

Primary Author: Terry R. Dean, DMD

Institution: Western Kentucky University
Autonomic Innervation to the Head: Animations and a Self-Testing Guide

Resource Type: Tutorial

Primary Author: Bob Hutchins, M.B.A., Ph.D.

Institution: Baylor College of Dentistry
Case Based Direct Composite Resin Veneer Simulation
Lab Exercise

Resource Type: Tutorial

Primary Author: Marc E. Ottenga, D.D.S.

Institution: University of Florida College of Dentistry
Cardiovascular Simulation Cases for Dental Students

Resource Type: Simulation

Primary Author: Shadi Kamyab, D.D.S.

Author Institution: University of California, Los Angeles School of Dentistry
Cast Removable Partial Denture Rubric

Resource Type: Lab Guide

Primary Author: Cecilia Dong, D.M.D., B.Sc., M.Sc., FRCD(C)

Institution: University of Manitoba Faculty of Dentistry
Cephalometrics - A Student Guide

Resource Type: Desktop Application

Primary Author: Fernando A. Inocencio, D.D.S.

Institution: The University of Western Ontario Schulich School of Medicine & Dentistry
Class I Amalgam: Occlusal and Occlusolinguinal Preparation and Restoration

Resource Type: Video

Primary Author: Nereyda P. Clark, D.M.D.

Author Institution: University of Florida College of Dentistry
Clinical Anatomy of the Inferior Alveolar Nerve Block

Resource Type: Tutorial, Video

Primary Author: Jennifer Brueckner-Collins, PhD

Institution: University of Louisville
Crown Preparation

Resource Type: Tutorial

Primary Author: Heiko Spallek, DMD, PhD

Institution: University of Pittsburgh School of Dental Medicine
Complete Denture Video

Resource Type: Video

Primary Author: Rosalia Rey, D.D.S.

Institution: University of Florida College of Dentistry
Comprehensive Oral Cancer Examination of the Extra-oral and Intra-oral Regions of the Head and Neck

Resource Type: Lab Guide, Presentation, Reference, Tutorial

Primary Author: Nereyda Polo Clark, D.M.D.

Institution: University of Florida College of Dentistry-Restorative Dental Sciences
Comprehensive Oral Exam

Resource Type: Evaluation Tool

Primary Author: Dr. Arnold Rosenheck, D.M.D.

Institution: University of Medicine and Dentistry of New Jersey
Copyright - Good Habits: Getting a Handle on Copyright

Resource Type: Faculty Development Materials

Primary Author: Jan Hart, M.L.S., Ed.D.

Institution: University of Arkansas for Medical Sciences College of Medicine
Computer-Based Dissection Manual (CBDM) – Cranium

Resource Type: Image, Lab Guide

Primary Author: Barbara Kraszpulska, PhD

Institution: Wright State University
Definitive Dermatomyotomes

Resource Type: Tutorials

Primary Author: Frank D. Reilly, PhD.

Institution: West Virginia University School of Medicine
Development of the Face

Resource Type: Simulation

Primary Author: Frank D. Reilly, Ph.D.

Institution: West Virginia University School of Medicine
Dental Considerations in Common Medical Imaging

Resource Type: Evaluation Tool, Image, Presentation

Institution: West Virginia University
Dental Anatomy for the Medical Practitioner

Resource Type: Reference, Tutorial

Primary Author: Edward DeSchepper, M.A.Ed, D.D.S., M.S.D.

Institution: Roseman University of Health Sciences
Dental Prosthesis Identification for Medical Students

Resource Type: Reference, Tutorial

Primary Author: Steven Curtis, D.D.S.

Institution: University of the Pacific
Dentascan

Resource Type: Desktop Application

Primary Author: McGill Molson Medical Informatics Project

Institution: McGill University Faculty of Medicine
Dentin Dysplasia (Tiffany)

Resource Type: Virtual Patient

Primary Author: Jan Hu, B.D.S., Ph.D.

Institution: University of Michigan School of Dentistry
Dentistry Case: Down Syndrome (Thomas)

Resource Type: Virtual Patient

Primary Author: Amy E. Coplen, R.D.H., M.S.

Institution: Pacific University, School of Dental Health Science
Dentistry Case Simulator: Amelogenesis Imperfecta

Resource Type: Simulation

Primary Author: Jan Hu, B.D.S., Ph.D.

Institution: University of Michigan School of Dentistry
Depression: Special Considerations for the Dental Setting

Resource Type: Presentation

Primary Author: Jessica G. Hinz, PhD

Institution: Southern Illinois University Edwardsville
Development of Chair-Side Patient-Doctor Communication Skills Through Case-Based Video Simulation

Resource Type: Presentation

Primary Author: Lola Katherine Giusti, D.D.S.

Institution: Arthur A. Dugoni School of Dentistry
Eating Disorders: A Personal Story with Implications for Dentists, Educators and Healthcare Professionals

Resource Type: Video

Primary Author: Meredith A. Ypma, DMD

Institution: University of Pittsburgh School of Dental Medicine
Early Tooth Development

Resource Type: Video, Animation

Primary Author: Mohammed Elsalanty, M.D., Ph.D.

Institution: Georgia Health Sciences University, College of Dental Medicine
Ectodermal Dysplasia (Emily)

Resource Type: Virtual Patient

Primary Author: Rebecca L. Slayton, D.D.S., Ph.D.

Institution: University of Iowa College of Dentistry
E-learning Modules for Clinical Teachers

Resource Type: Faculty Development Materials

Primary Author: Judy McKimm, M.B.A., M.A.

Institution: Auckland University
Emergency Management of Dental Traumas: Avulsions

Resource Type: Presentation, Video, Case

Primary Author: Isabelle Chase, D.D.S.

Institution: Children's Hospital Boston
Fabrication of a Band and Loop Space Maintainer

Resource Type: Video Primary

Primary Author: Elliot Shulman

Institution: West Virginia University School of Dentistry
Fabrication of Master Cast for Fixed prosthodontics: Step by Step Procedural Videos

Resource Type: Presentation, Video

Primary Author: Ranier Adarve, D.M.D., M.S., M.H.P.E.

Institution: University of Minnesota
Fabrication of Provisional Restoration Using Direct Technique

Resource Type: Lab Guide

Primary Author: Mercedes Porter, DDS

Institution: University of Minnesota School of Dentistry - Division of Prosthodontics
Fixed Prosthodontic Learning Dossier Assignment

Resource Type: Exercise

Primary Author: Vanessa L. Swain, D.M.D., M.Sc.

Institution: University of Manitoba Faculty of Dentistry
Fighting Dry Mouth: An Interprofessional Opportunity

Resource Type: Presentation, Case, Evaluation Tool

Primary Author: Louise Veselicky, D.D.S.

Institution: West Virginia University
Fluoride Varnish: Theory & Technique

Resource Type: Video

Primary Author: Ryan Quock, DDS

Institution: University of Texas School of Dentistry
Gallery of Prosthodontic Procedural Technique Videos

Resource Type: Video

Primary Author: Ranier M. Adarve, D.M.D., M.S., M.H.P.E.

Institution: University of Minnesota School of Dentistry
GERD: Gastroesophageal Reflux Disease: Role of Saliva & Gastric Acid in Digestion & Erosive Disorders Affecting Tooth, Stomach, and Esophagus

Resource Type: Tutorial

Primary Author: Steven C. King, PhD

Institution: Oregon Health & Science University School of Medicine
Hanau Articulator Training: Zeroing the Articulator

Resource Type: Tutorial

Primary Author: Emily Springfield, M.S.Ed.

Institution: University of Michigan School of Dentistry
Head and Neck Lymphatics

Resource Type: Tutorial

Primary Author: Frank D. Reilly, Ph.D.

Institution: West Virginia University School of Medicine
Head, Neck, and Oral Cancer Examination

Resource Type: Video

Primary Authors:
Michael A. Siegel, D.D.S., M.S., F.D.S. R.C.S.Ed.¹
Valerie Murrah, D.M.D., M.S., M.A.Ed.²
Domenic M. Aloise, B.S.¹

Institutions:
¹ Nova Southeastern University College of Dental Medicine
² University of North Carolina Chapel Hill School of Dentistry
Human Development: Development of the Face and Palate

Resource Type: Simulation

Primary Author: John Fredieu, PhD

Institutions: Case Western Reserve University School of Medicine
Human Patient Simulation for Teaching Medical Emergencies in the Dental Office

Resource Type: Faculty Development Materials

Primary Author: Lisa Bilich, RDH, MS

Institutions: Eastern Washington University
Improving Interdisciplinary Collaboration in First-year Health Professional Students through a Learner-Developed and Learner-Driven IPE Curriculum

Resource Type:

Primary Author: Mr. Peter Colley, B.S., B.A.
